Established in 1977, the Diagnostic Center of Nevada (DCOM) has served Las Vegas area patients for over 40 years. DCOM provides comprehensive adult primary care services, including:

- internal medicine
- physical exams and wellness visits
- comprehensive adult care
- on-site lab draw
- EKG testing
- diabetic care

DCOM's providers are Dr. Larry Allen and Anthony Valiente APRN FNP-BC (Nurse Practitioner).

Lawrence M. Allen, MD

Dr. Allen brings over 30 years of experience treating Las Vegas area patients. He attended the University of Nevada School of Medicine in Reno and completed his internship and residency in internal medicine at University Medical Center (UMC) in Las Vegas. Dr. Allen has many professional affiliations, including the American Medical Association (AMA) and the American College of Physicians (ACP). He is also a former board member of the American Heart Association, prior Vice Chief of Staff at Valley Hospital, and prior Chairman of the Department of Internal Medicine at Valley Hospital.

His particular areas of interest in medicine include diagnosing and treating complex medical conditions, nutrition, and overall quality of life. When Dr. Allen is not working or spending time with his family, you might find him skiing, fishing, traveling, or watching football.

Anthony Valiente APRN FNP-BC (Nurse Practitioner)

Anthony Valiente was born and raised in Las Vegas. He attended the University of Nevada Reno as an undergraduate. After completing his nursing degree, he worked in the Intensive Care Unit at Southern Hills Hospital for two years, and then finished his nursing career in the Emergency Room. He completed a Master of Science in Nursing with an emphasis in Family Nurse Practitioner studies at Touro University Nevada. He is a board-certified Family Nurse Practitioner through the American Nurses Credentialing Center.

His hobbies include cooking, hiking, and fishing. When he is not outdoors or in the kitchen, you can find him watching Netflix with his wife.
